Dear Sir./Madam,

On your notice ref 2002 494 520 titled  
"Notice of final submaking - Patent for revisions", the  
maintenance fees were required at  
"3,5 years  
7,5 years  
11,5 years".

I think your fees are revised periodically,  
So, I check with you prior to making my next  
payment.

Can you exactly give me the due dates  
for the next annuity fee for the above application?  
2007? 2008? 2009? What is the fee for a small  
entity (maintenance fee)?  
I thank you for your answer.

Faithfully yours.

P.S. Please will you send me a new
